NEWSROOM PORTFOLIO - *The Journalist's Lens*

Header

- Use the OOTB **Header Component**.
- Add navigation links:
 - Home
 - News (Dropdown containing 5 news articles)
 - About Me
 - Contact Me
- Ensure proper styling.
- Implement a dropdown under **News**.

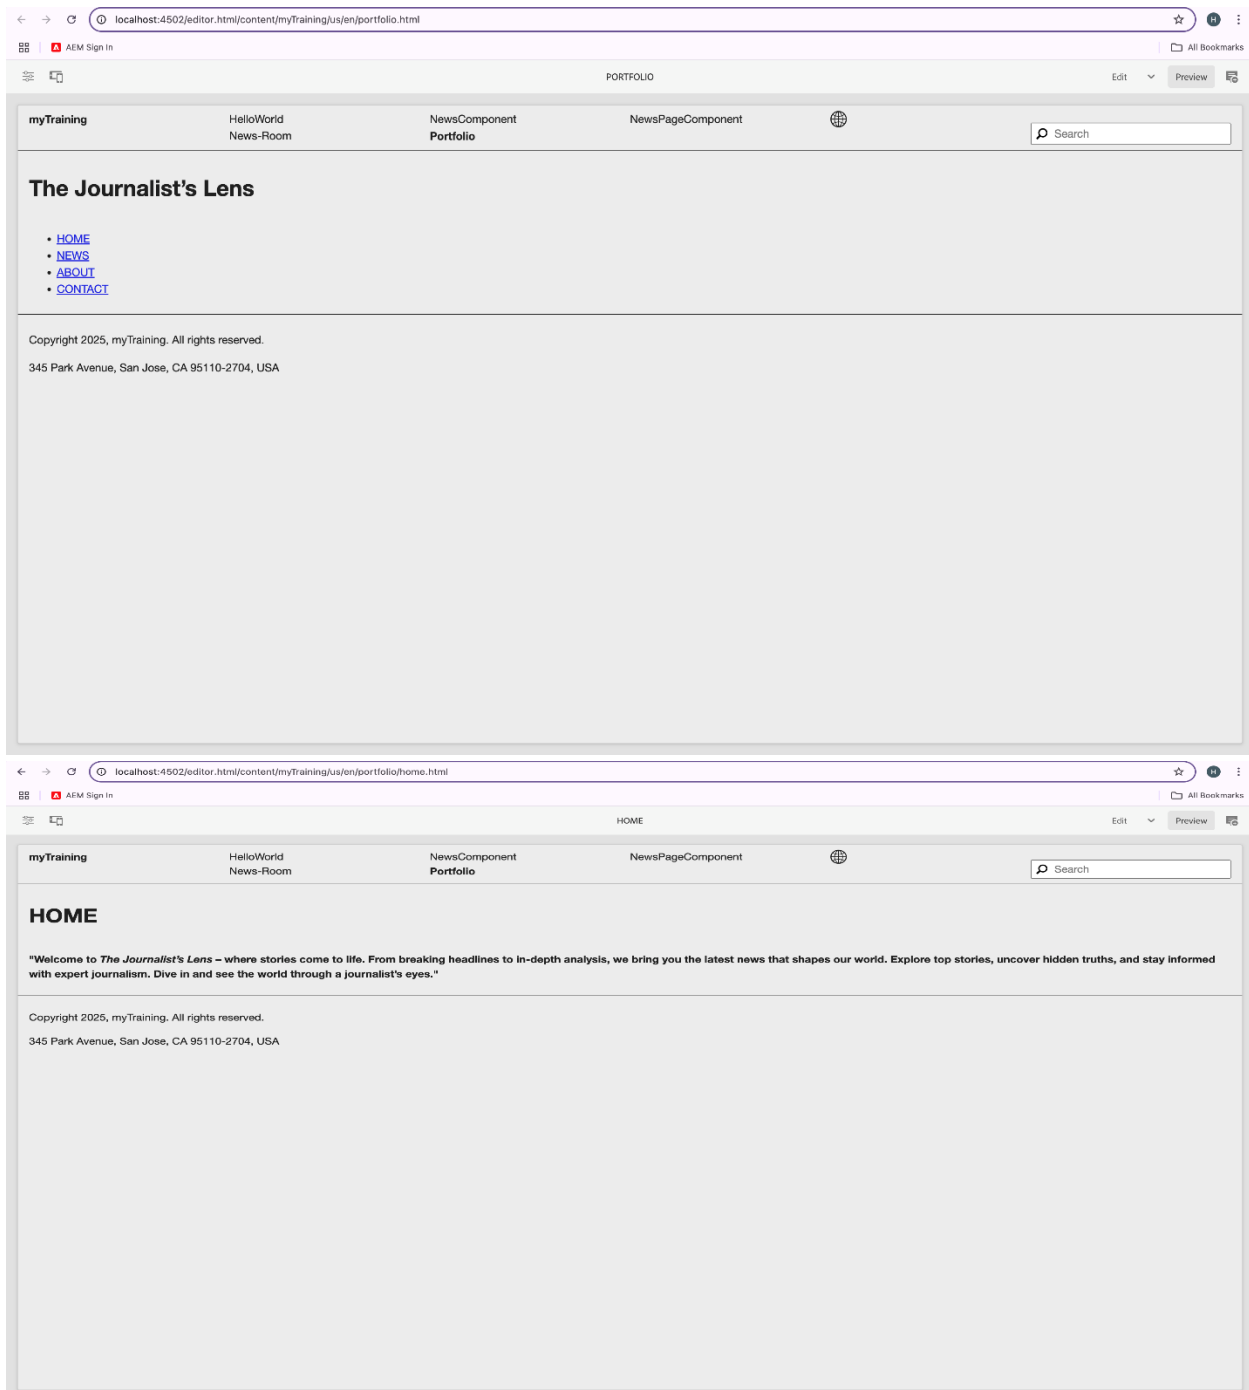

Footer

Home Page

- Use the **OOTB Teaser Component**.

News Page

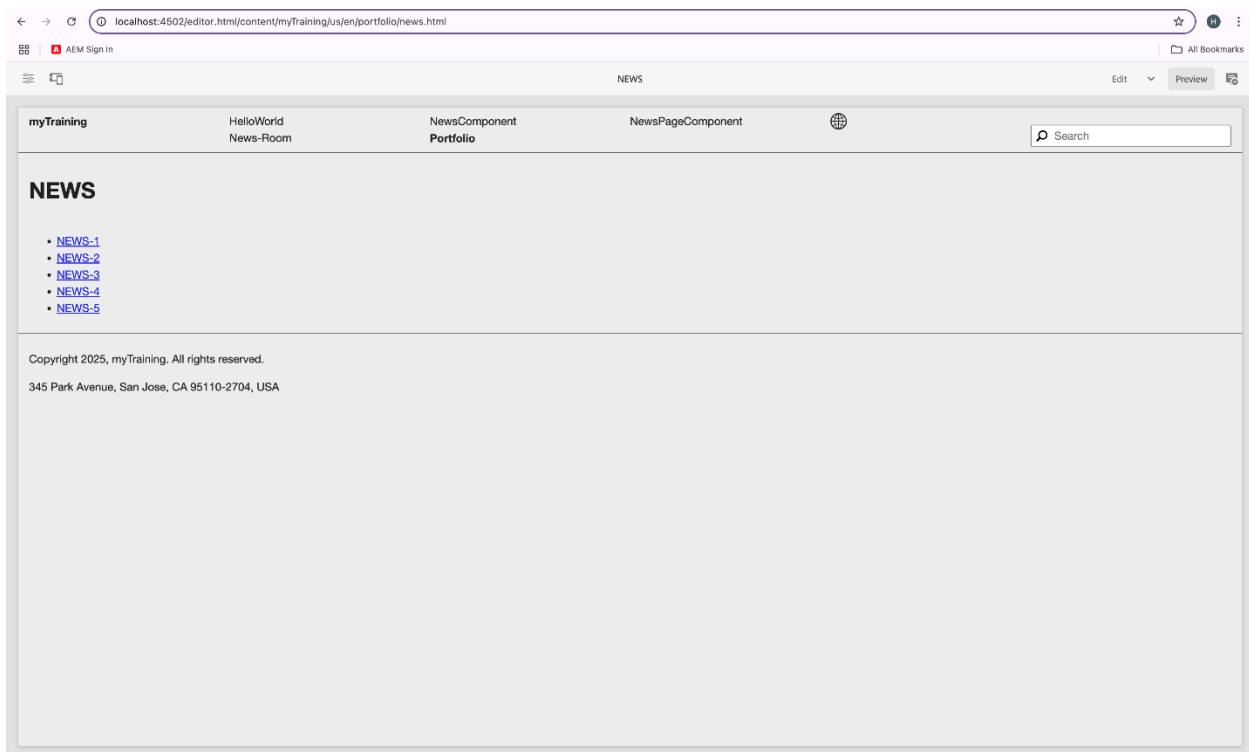

1. **Create a NewsRoom Component:**
 - a. Parent path: /content/news
 - b. Fetch all news articles stored under /content/news
 - c. Display articles as **cards**, each with:

- i. Title
- ii. Image
- iii. Description

d. Ensure each card has **a unique title, description, and image.**

2. News Article Pages:

- a. Store under /content/news
- b. Use **Title, Image, and Text Component** to create content.

BREAKING NEWS

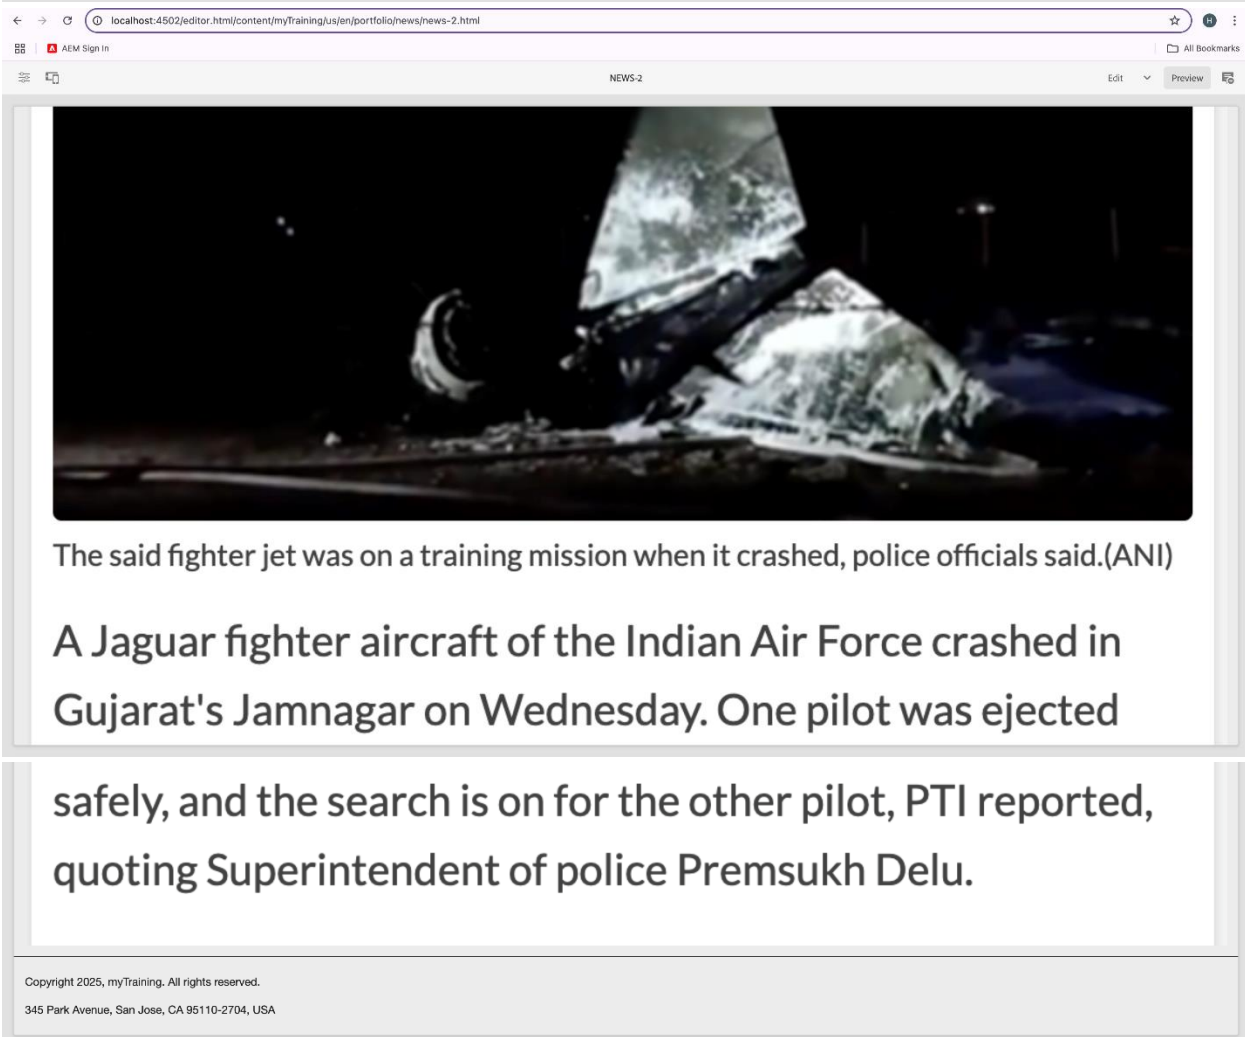

Microsoft CEO Satya Nadella praised China-based AI company DeepSeek for its innovation and impact, highlighting its efficient optimization with a small team. This sets a new standard for Microsoft's AI development, emphasizing the importance of focused collaboration and rapid technological advancement.

FILE - Microsoft CEO Satya Nadella addresses attendees at the Microsoft Ignite conference, Nov. 19, 2024, in Chicago. (AP...)

Microsoft CEO [Satya Nadella](#) has lauded China-based AI company DeepSeek as a new benchmark for the Redmond giant's artificial intelligence efforts, also accrediting the Chinese company efforts of focused innovation during a recent employee town hall meeting.

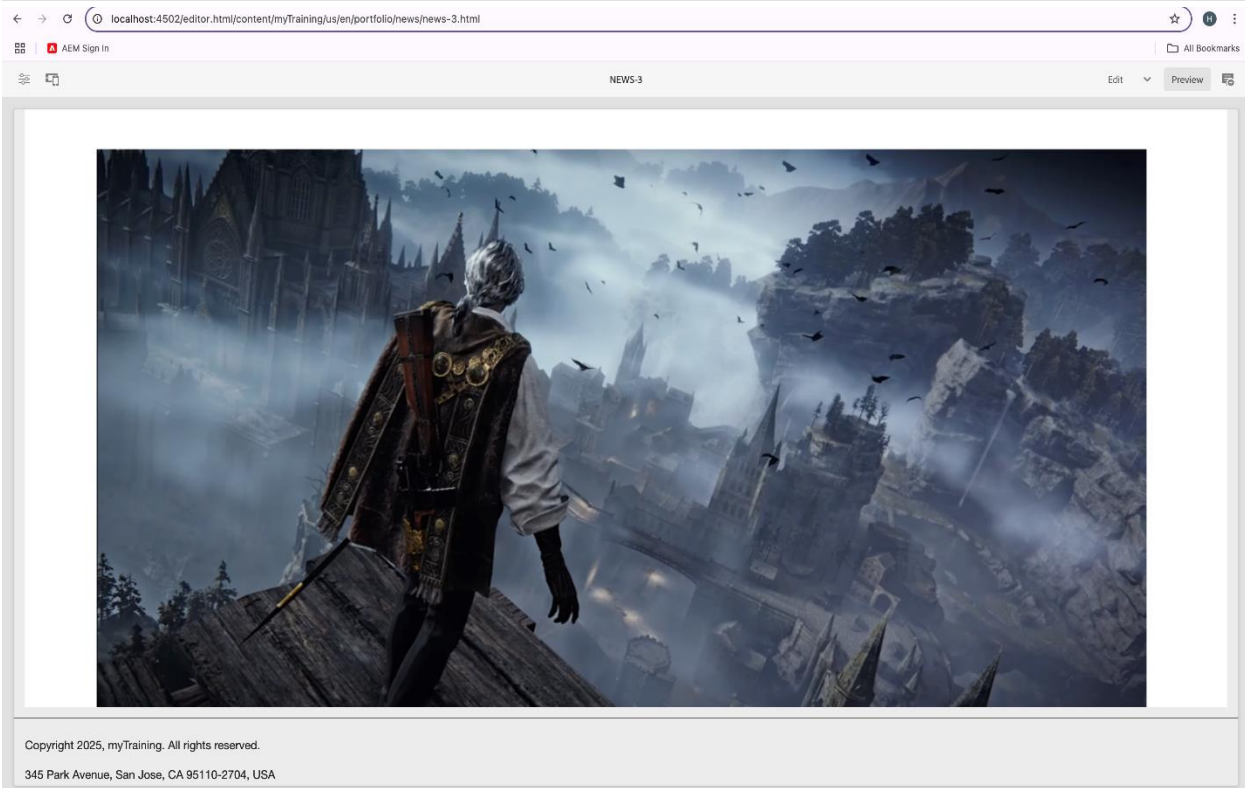

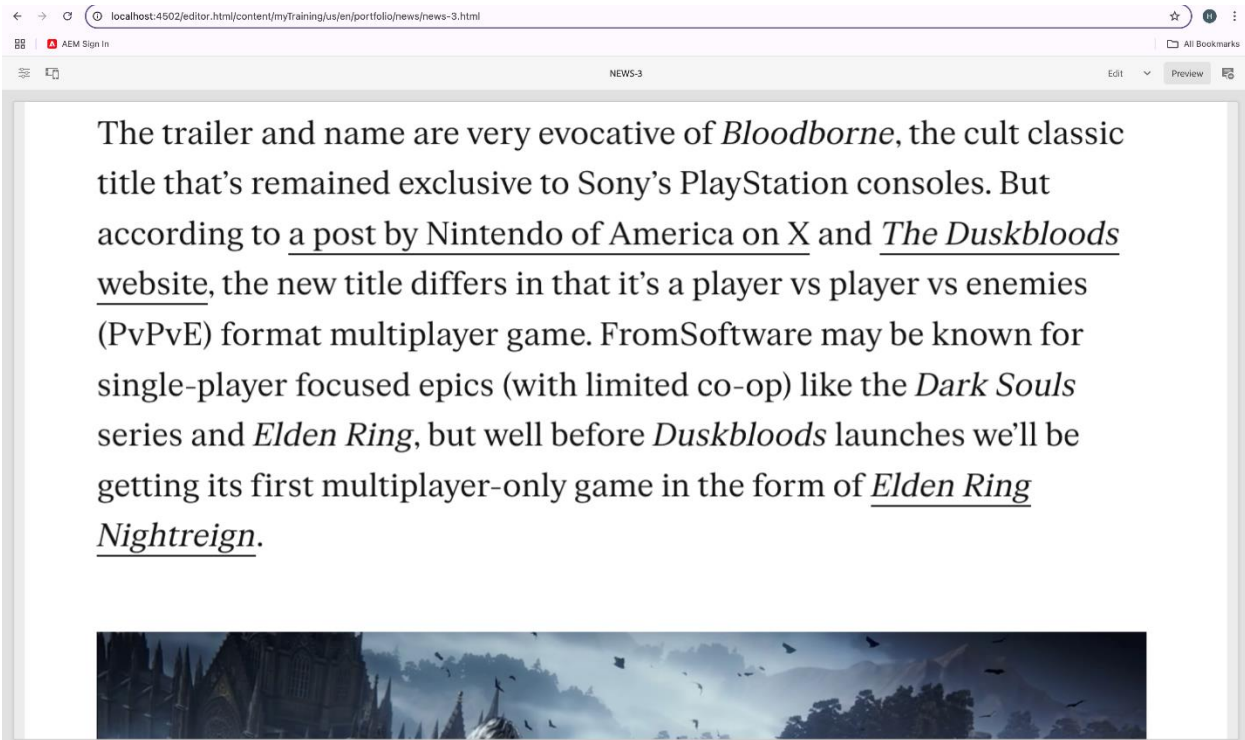

According to The Verge, [Nadella](#) was particularly impressed by DeepSeek's ability to optimize AI computing architecture and achieve significant results with a small team. "What's most

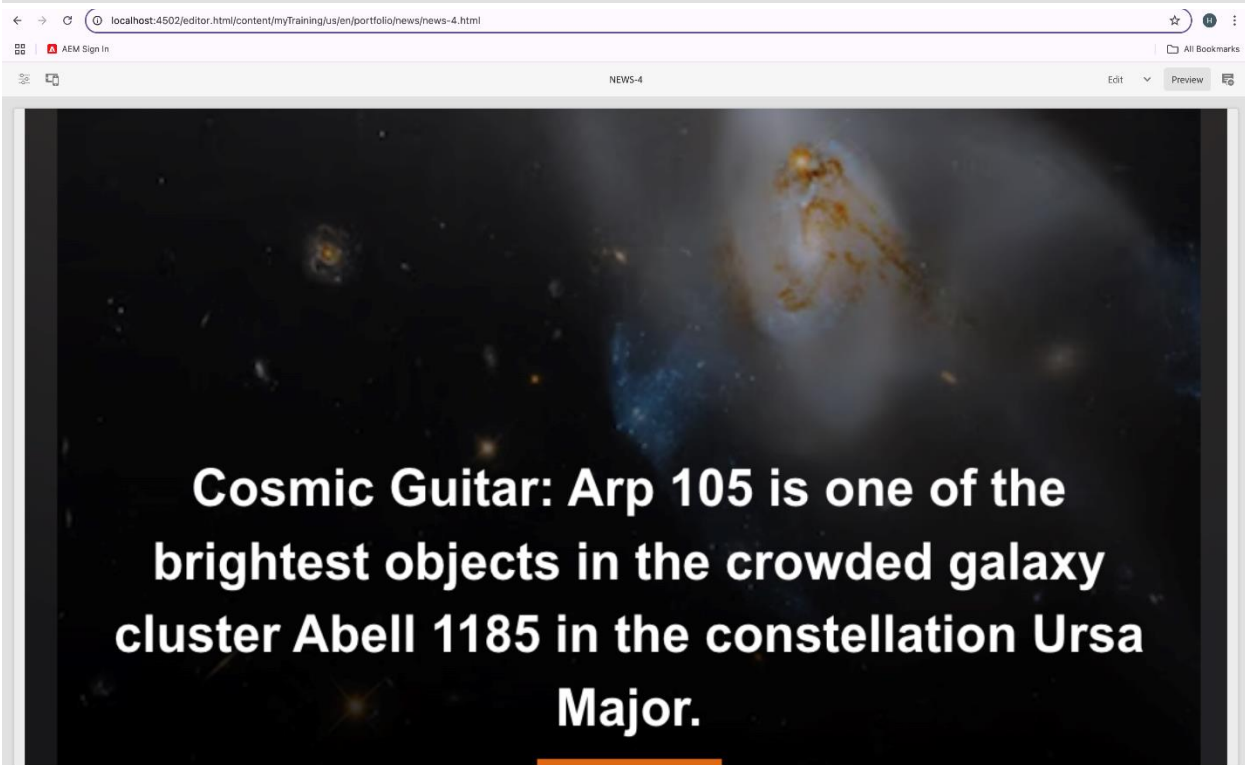

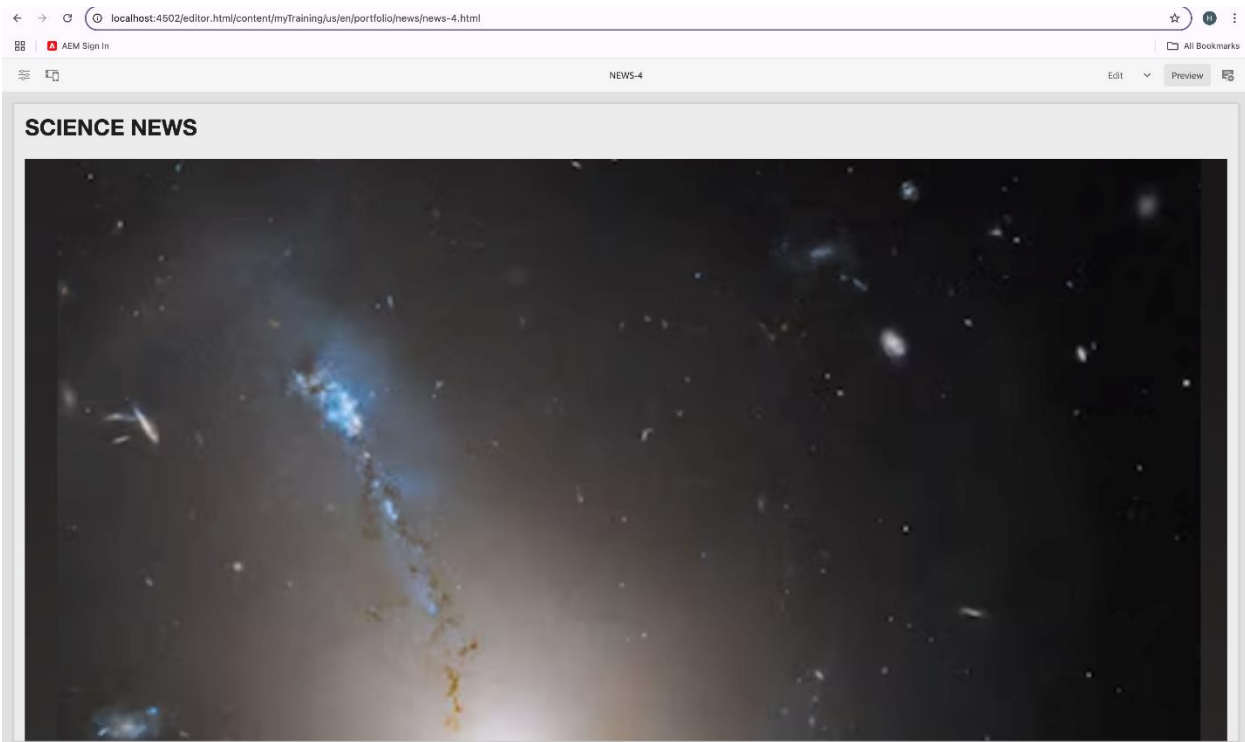

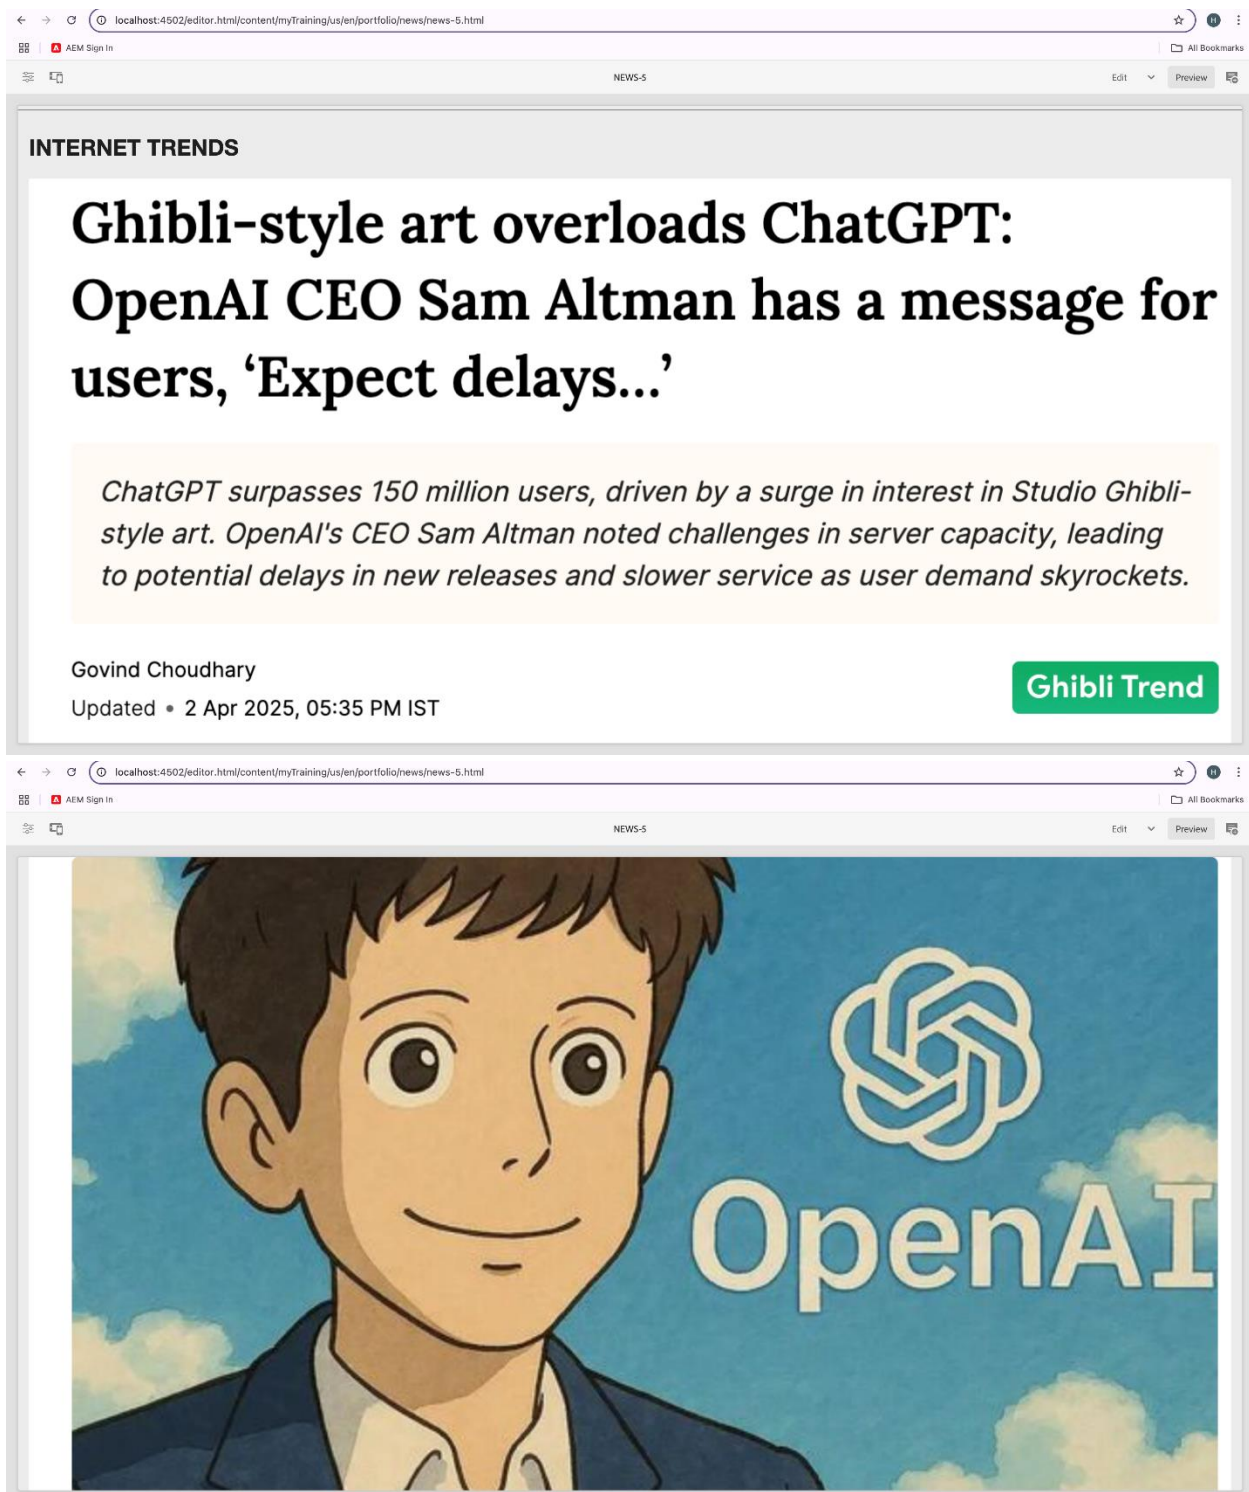

TECHNOLOGY NEWS

The Duskbloods, a new game by FromSoftware, is coming exclusively to the Nintendo Switch 2. The teaser trailer debuted during Nintendo's Switch 2 Direct video presentation, where it was revealed that it's set to launch in 2026 with famed *Elden Ring* and *Dark Souls* director Hidetaka Miyazaki at the helm. No other details were provided.

The trailer and name are very evocative of *Bloodborne*, the cult classic title that's remained exclusive to Sony's PlayStation consoles. But according to [a post by Nintendo of America on X](#) and [The Duskbloods website](#), the new title differs in that it's a player vs player vs enemies (PvPvE) format multiplayer game. FromSoftware may be known for single-player focused epics (with limited co-op) like the *Dark Souls*

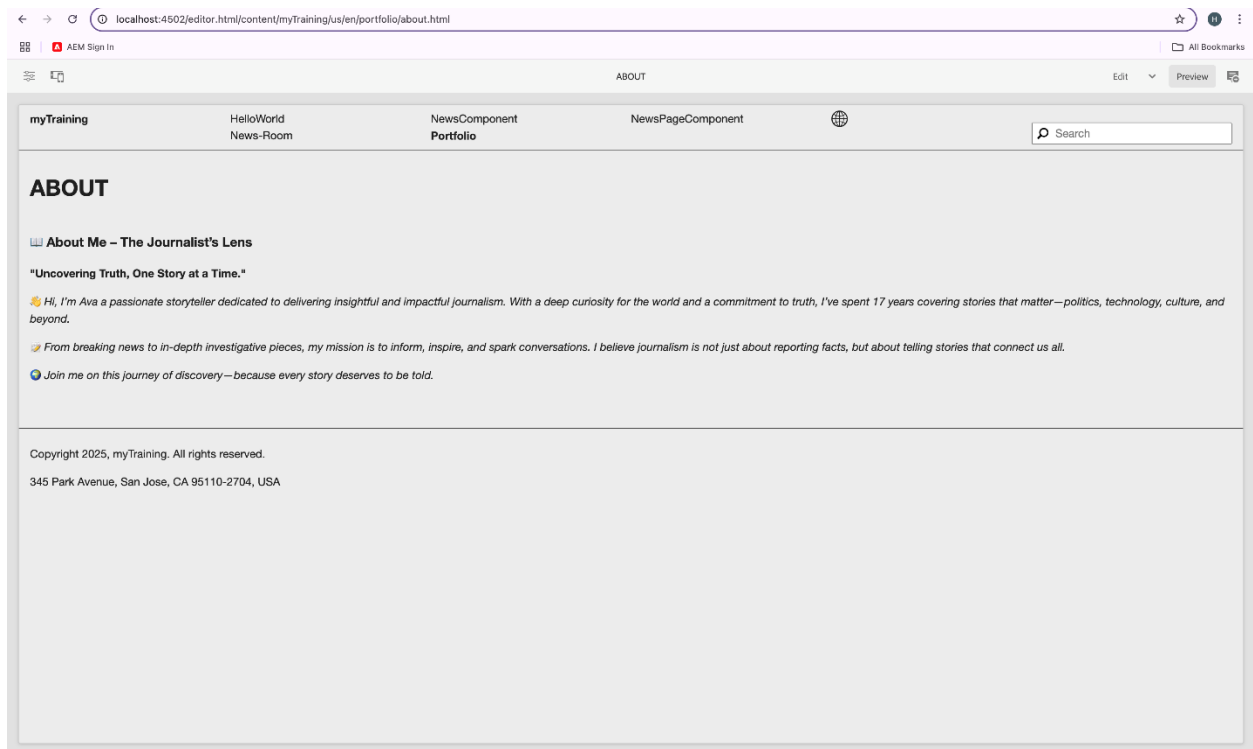

About Me Page

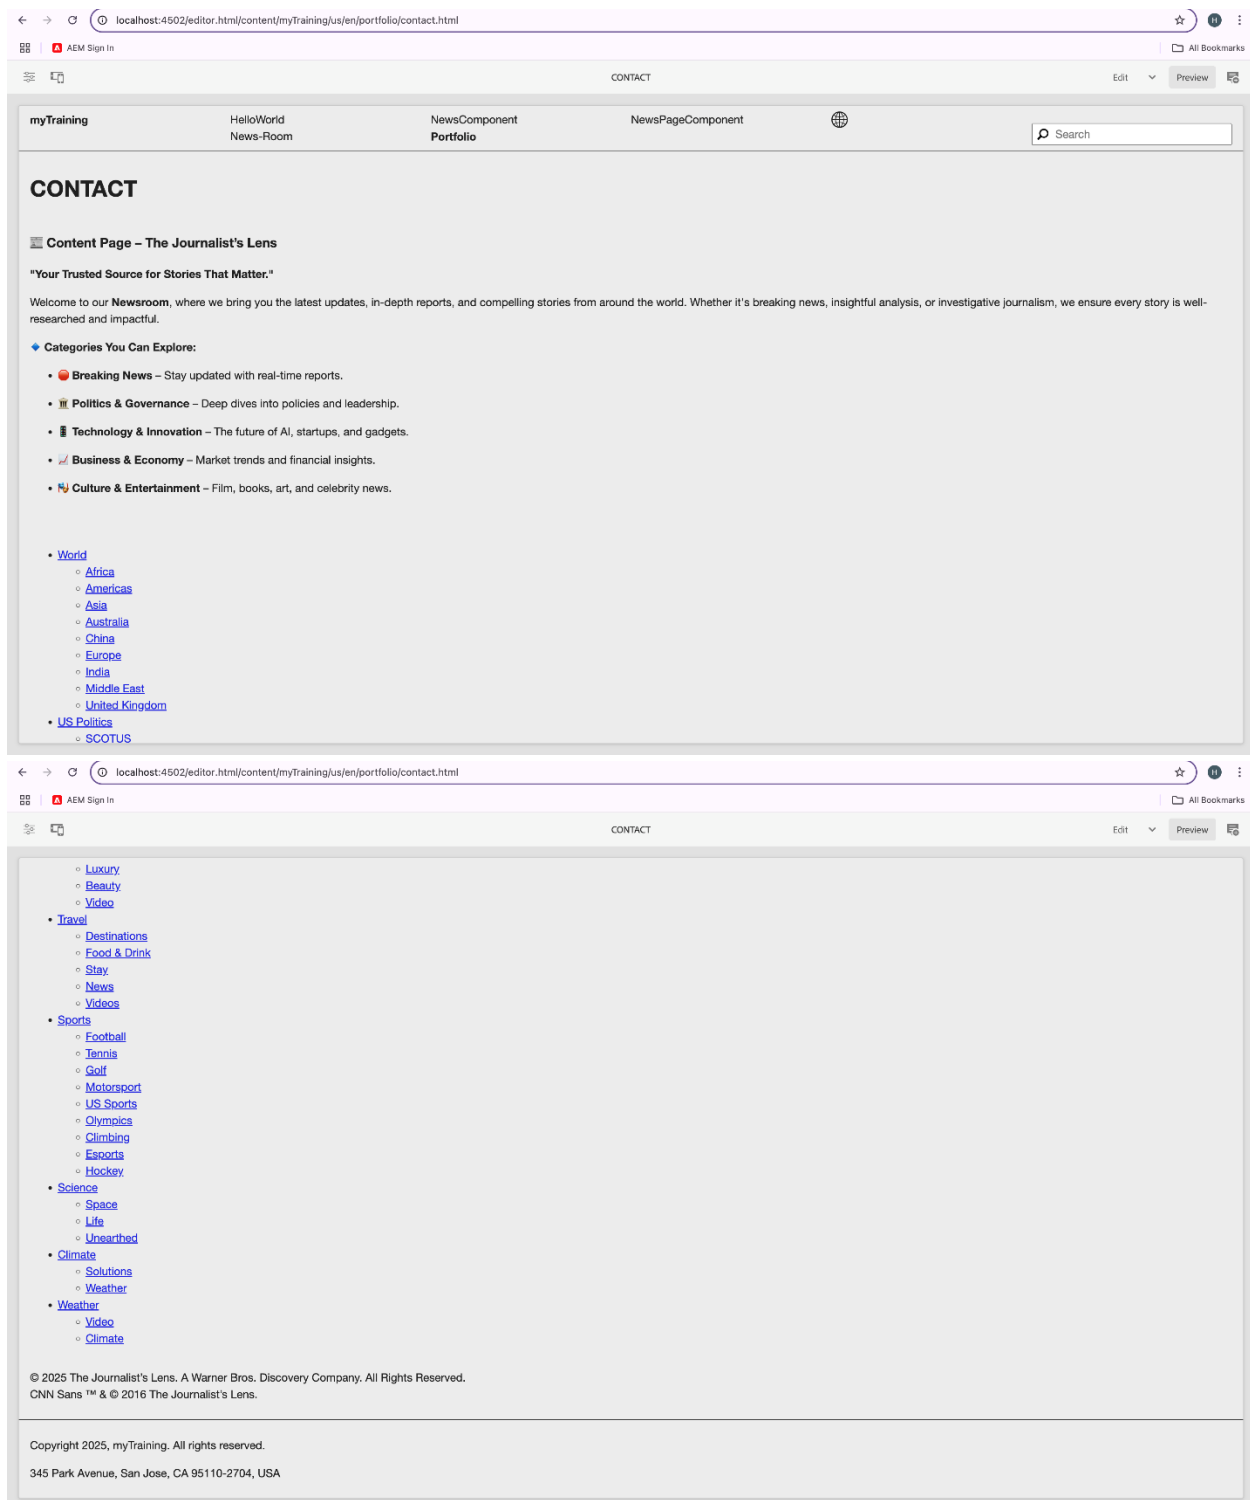

- Use a **custom Journalist Component**.
- Display information about the journalist.

- No other components should be used here.

Contact Me Page

- Use either:
 - **Text Component** (for contact details).
 - **Teaser Component** (for social media profile links).

Templates

- **Header & Footer** should be included at the **template level** for reusability.

- **Home Page:** Use the **OOTB Content Page Template**.
- **News Page & News Articles:** Use the **Book Page Template** provided in the assignment.
