A screenshot of a web browser window showing the 'About' page of a conference website called 'InnovateX'. The page features a dark header with the site's logo and navigation links, followed by a large central section with a title and subtitle, and finally a 'Conference Highlights' section with four cards.

The browser's address bar shows the URL `localhost:8000/about.html`. The header includes the site's logo, a search icon, a star icon, a user profile icon, and a 'More' menu. A sidebar on the right contains a 'All Bookmarks' link.
